Dear Ms Baloyi

RE: INCREASE OF LPMs AT GOLDRUSH BINGO BALLITO

This letter serves to apply to increase the number of Limited Payout Machines (LPMs) for the above-mentioned bingo branch from the current fifteen (15) to forty (40).

When applying for the increase Goldrush considered the demographics of the area which are attached for the benefit of the Board, the demand for our product since opening and the fact that Goldrush is losing customers who aren't able to enjoy this form of entertainment due to the small number of machines available for play in Ballito proper and who are frustrated due to having to wait.

We believe the impact of the additional machines will have no effect of other gaming role-players within the North Coast area and we believe that we cater for different markets.

The most recent statistics reflect that the area is continually growing and that most of the residents are in the higher earnings bracket or relatively comfortable retirees.

The Application Form B037 is attached, and the statistics which serves as motivation which we believe should overwhelmingly support our application, the proof of payment and the current licence will be provided.

We trust the above is in order and look forward to a positive response from the Board.

Yours faithfully
