Dear Ms Baloyi

**RE: INCREASE OF LPMs AT GOLDRUSH BINGO MALVERN**

This letter serves to apply to increase the number of Limited Payout Machines (LPMs) for the above-mentioned bingo branch from the current thirty four (34) to the maximum allowable number of forty (40).

When applying for the increase Goldrush considered the demographics of the area which were submitted when we applied for the increase from twenty to the current thirty four, the demand for our product since the increase has continued to grow and as in the case of Ballito, hence the application.

We believe the impact of the additional machines will have no effect of other gaming role-players within the area.

The KZNGBB Form B037 is attached, the proof of payment and the current licence will be actioned and submitted to the Board.

We trust the above is in order and look forward to a positive response from the Board.

Yours faithfully

Mike Burns
