

Transformation Fund Uplifting the Traditional Horseracing Sector in KZN

The KZN Gaming and Betting Board is charting a well defined path in respect of the support that is currently being provided to the Traditional Horseriding Sector. On 15 July 2022, on the eve of the 2022 Dundee July Horseriding Festival, the entity undertook a symbolic handover of the critical projects which have been funded by the Transformation fund as well as through contributions by the gaming and betting industry. The handover was attended by the MEC for KZN Sports, Arts and Culture as well

as the HOD for the Department together with the Executive of the entity. The MEC commented that she was overwhelmed by the level of support that was provided by the KZNGBB and looked forward to further collaborations in the future.

The projects that were handed over included

Winning Stakes amounting to R203 500
Horse Blankets to the value of R199 720
Borehole at the Dundee Racetrack R156 900
Horse Feed : R13 500
Total : R 560 120
